Murphy Company Recognized by American Subcontractors Association

ST. LOUIS – Murphy Company has been honored with the 2010 Best Mechanical, Electrical, Plumbing Subcontractor Category A Award by the American Subcontractors Association-Midwest Council. Murphy was recognized at the association's 17th Annual Awards Gala on April 10 at the Hilton Ballpark.

"It is always an honor for Murphy to be recognized by an esteemed industry organization for our hard work," said Pat Murphy Jr., president. "And the fact that these awards were decided by our general contractor partners makes the recognition especially rewarding."

Subcontractors were selected based on the following criteria: bid ethics practice, safety policy and practices, jobsite supervision, communication, scheduling coordination, project relations, administrative procedures and quality workmanship. Past general contractor winners voted for the subcontractor winners.

Murphy Company delivers mechanical solutions to the industrial, commercial, institutional and heavy industrial markets. With corporate offices in St. Louis and Denver, Colo., and regional offices in Fairview Heights, Ill., and Colorado Springs, Colo., the firm offers process piping, HVAC, refrigeration, plumbing, design-build, piping fabrication, energy solutions and 24-hour service. Murphy currently is ranked No. 13 on Engineering News-Record's list of top mechanical contractors in the United States. Founded in 1907, the firm employs more than 1,000 people nationwide.
