EDWARD BECKER – VICE PRESIDENT OF FIELD OPERATIONS at Murphy Company Mechanical Contractors and Engineers

DENVER - Edward Becker has been promoted to Vice President of Field Operation at Murphy Company. Ed will be over labor coordination for all trades in Denver, foremen training and development and enhancement of our union partnerships. Ed's experience includes 32 years experience in the mechanical construction industry. He attended the University of Missouri and is a member of the United Association of Plumbers and Pipefitters, Plumbers Local 35, JATC Plumbers Local 3 and the Colorado Association of Mechanical and Plumbing Contractors (CAMPC).

Murphy performs mechanical contracting services for industrial, commercial, municipal, institutional and service markets. Ranked 11th largest mechanical specialty contracting firm in the 2008 ENR/Engineering News-Record, and ranked 21st largest mechanical contracting firm by the 2007 Contractor Annual Report, Murphy has national capabilities and is licensed to do business in 36 states and had fiscal year 2008 revenues exceeding \$232 million. With offices in Denver, CO. and St. Louis, MO, the firm, an employer of Professional Engineers, has an office and technical staff of more than 239 people, including 19 officers and 50 engineering personnel, and employs over 1000 hourly workers. Among its employees are union craft workers primarily from the AFL-CIO pipefitter, boilermaker, plumber and sheet metal trade unions.

Editor's note: Edward Becker is a resident of Wellington, CO (80549)

Murphy Company has offices located at 3790 Wheeling St. in Denver, CO (80239) and 1233 North Price Road in Olivette (St. Louis), MO (63132)
