Murphy Company Adds Hardin as Project Engineer

ST. LOUIS – Josh Hardin has joined Murphy Company as a project engineer.

In his new position, Hardin assists in the planning and execution of projects, oversight of construction sites, and management of project objectives, requirements and personnel.

Hardin has one year of experience in the mechanical construction industry. He has been involved with major projects for Pfizer, Pinnacle River City Casino, Washington University in St. Louis and flight safety facilities in Florida and Texas.

Hardin holds a bachelor's degree in business administration with a minor in communication studies from the University of Oregon.

Murphy Company delivers mechanical solutions to the industrial, commercial, institutional and heavy industrial markets. With corporate offices in St. Louis and Denver, Colo., and regional offices in Fairview Heights, Ill., and Colorado Springs, Colo., the firm offers process piping, HVAC, refrigeration, plumbing, design-build, piping fabrication, energy solutions and 24-hour service. Murphy currently is ranked No. 11 on Engineering News-Record's list of top mechanical contractors in the United States. Founded in 1907, the firm employs more than 1,000 people nationwide.
