LaRose Joins Murphy Company as Project Manager

COLORADO SPRINGS, Colo. – Rick LaRose, LEED AP, recently joined Murphy Company’s Colorado Springs office as a project manager, planning and executing projects, overseeing construction sites and managing project objectives, requirements and personnel.

With almost 20 years of experience, LaRose is a LEED Accredited Professional in Building Design & Construction by the U.S. Green Building Council and OSHA 500-certified from the University of Texas at Arlington. He received a Performance Excellence Award from Colorado Springs School District 11 for his work on the tax payer-funded bond project.

LaRose is an active member of the local Association of General Contractors (AGC) chapter, the Colorado Association of Plumbing and Mechanical Contractors (CAMPC) and the Southern Colorado Chapter of the U.S. Green Building Council. A Colorado Native and Colorado Springs area resident since 1982, LaRose is a third generation plumbing and mechanical professional that is committed to energy conservation and providing valuable solutions for the Colorado Springs and southern Colorado communities.

Murphy Company delivers mechanical solutions to the industrial, commercial, institutional and heavy industrial markets. With corporate offices in Denver and St. Louis and regional offices in Colorado Springs, Colo., and Fairview Heights, Ill., the firm offers process piping, HVAC, refrigeration, plumbing, design-build, piping fabrication, energy solutions and 24-hour service. Murphy currently is ranked No. 13 on Engineering News-Record’s list of top mechanical contractors in the United States. Founded in 1907, the firm employs more than 1,000 people nationwide.
