## Rockwell Joins Murphy Company

DENVER – Don Rockwell recently joined Murphy Company’s Denver office as a quality assurance/quality control manager. In this position, Rockwell will be responsible for the quality control of mechanical systems installed by Murphy in the Front Range.

Rockwell previously served as an engineering manager for Palmer Manufacturing and Tank, Inc. and quality assurance/quality control manager and engineer at Precision Pipe and Vessel, LLC. He is a member of the American Society of Mechanical Engineers and American Welding Society. A Certified Welding Inspector, Rockwell also is a Level II Radiographic Film Interpreter. He holds a Bachelor’s Degree in Mechanical Engineering from the University of Colorado at Denver.

Murphy Company delivers mechanical solutions to the industrial, commercial, institutional and heavy industrial markets. With corporate offices in Denver and St. Louis and regional offices in Colorado Springs, Colo., and Fairview Heights, Ill., the firm offers process piping, HVAC, refrigeration, plumbing, design-build, piping fabrication, energy solutions and 24-hour service. Murphy currently is ranked No. 13 on Engineering News-Record’s list of top mechanical contractors in the United States. Founded in 1907, the firm employs more than 1,000 people nationwide.
