NEWS RELEASE

## Murphy Company's Denver Office Adds Senior Estimator

DENVER –Murphy Company's Denver office has added senior estimator Terry Lanman to its staff. Lanman joins Murphy Company with more than 25 years experience.

"Terry's field experience is a major asset in our estimating process," said Greg Friess, manager of estimating and pre-construction services. "His 'hands-on' knowledge of piping, plumbing and fabrication, coupled with his experience with pneumatic and electronic controls and extensive training, make him a key member of our up-front project team."

Murphy Company delivers mechanical solutions to the industrial, commercial, institutional and heavy industrial markets. With corporate offices in Denver and St. Louis and regional offices in Colorado Springs, Colo., and Fairview Heights, Ill., the firm offers process piping, HVAC, refrigeration, plumbing, design-build, piping fabrication, energy solutions and 24-hour service. Murphy currently is ranked No. 13 on Engineering News-Record's list of top mechanical contractors in the United States. Founded in 1907, the firm employs more than 1,000 people nationwide.
