VICKI CHASE – ACCOUNT MANAGER at Murphy Company
Mechanical Contractors and Engineers

DENVER - Vicki Chase has joined Murphy Company as a Service Account Manager opening our new office in Colorado Springs, Colorado.

Vicki attended Denver University Project Management Program and is a member of the International Facility Managers Association, Building Operators Association of Colorado, International Real Estate Managers Association, Building Owners and Manager Association and the American Society of Heating, Refrigerating and Air-Conditioning Engineers. She has over 25 years of experience in Mechanical Heating, Ventilating, Air-Conditioning, Plumbing, Piping and Service with 15 years experience in Project Estimating and Management.

Murphy performs mechanical contracting services for industrial, commercial, municipal, institutional and service markets. Ranked 11th largest mechanical specialty contracting firm in the 2008 ENR/Engineering News-Record, and ranked 21st largest mechanical contracting firm by the 2007 Contractor Annual Report, Murphy has national capabilities and is licensed to do business in 36 states and had fiscal year 2008 revenues exceeding \$232 million. With offices in Denver, CO. and St. Louis, MO, the firm, an employer of Professional Engineers, has an office and technical staff of more than 239 people, including 19 officers and 50 engineering personnel, and employs over 1000 hourly workers. Among its employees are union craft workers primarily from the AFL-CIO pipefitter, boilermaker, plumber and sheet metal trade unions.

Editor's note: Vicki Chase is a resident of Colorado Springs, CO (80919)

Murphy Company has offices located at 3790 Wheeling St. in Denver, CO (80239) and 1233 North Price Road in Olivette (St. Louis), MO (63132)
