## Murphy Company's Denver Office Adds Senior Estimator

DENVER – Murphy Company's Denver office has added senior estimator Lawrence Wendling to its staff.

Wendling joins Murphy Company with nearly 40 years of experience in the mechanical construction industry. His major project involvement includes notable projects such as the Denver Museum of Nature/Science Porter Adventist Hospital, Rose Medical Center, St. Anthony Central, all in Denver, St. Anthony North Hospital in Westminster, and the Denver Immigration and Customs Enforcement Center in Englewood.

Wendling holds a bachelor's degree in aerospace engineering from LeTourneau College in Texas.

Murphy Company delivers mechanical solutions to the industrial, commercial, institutional and heavy industrial markets. With corporate offices in Denver and St. Louis and regional offices in Colorado Springs, Colo., and Fairview Heights, Ill., the firm offers process piping, HVAC, refrigeration, plumbing, design-build, piping fabrication, energy solutions and 24-hour service. Murphy currently is ranked No. 13 on Engineering News-Record's list of top mechanical contractors in the United States. Founded in 1907, the firm employs more than 1,000 people nationwide.
