## Murphy Company Adds Conaway as Project Manager

ST. LOUIS – William Conaway has joined Murphy Company as a project manager.

As a project manager, Conaway is responsible for planning and executing projects, overseeing construction sites, and managing project objectives, requirements and personnel.

Conaway's five years of mechanical construction experience include 11 health care facilities, as well as retail, industrial, institutional and commercial projects. Conaway holds a bachelor's degree in business administration from Truman State University. He also has completed 10 hours of OSHA training.

Murphy Company delivers mechanical solutions to the industrial, commercial, institutional and heavy industrial markets. With corporate offices in St. Louis and Denver, Colo., and regional offices in Fairview Heights, Ill., and Colorado Springs, Colo., the firm offers process piping, HVAC, refrigeration, plumbing, design-build, piping fabrication, energy solutions and 24-hour service. Murphy currently is ranked No. 11 on Engineering News-Record's list of top mechanical contractors in the United States. Founded in 1907, the firm employs more than 1,000 people nationwide.
